

**1,987 COURSES HAVE SWITCHED
TO YAMAHA IN THE PAST 7 YEARS.**

Take a test drive and you'll instantly know why there's nothing quite like Yamaha Golf Cars. Electric or gas, they're the perfect blend of exhilarating power, luxury, and expansive space. According to the National Golf Foundation, "97% of Yamaha customers said they would seriously consider repurchasing a Yamaha fleet," and, "Yamaha was more highly recommended by its users than any other golf car brand."* Don't get left behind. Join the revolution at MayTheBestCarWin.com.

*Golf Car Attitudes and Perceptions Research Study conducted by NGF, 2015.

**NO MATTER WHICH GOLF CAR MAKE OR MODEL YOU HAVE NOW,
OR WHAT YOU'VE DRIVEN IN THE PAST, YOU OWE IT TO YOURSELF
TO COMPARE. MAY THE BEST CAR WIN.**

		CLUB CAR	YAMAHA	E-Z-GO
1	Styling - How does the car look? Is it attractive? Durable?			
2	Dash layout - Do you have enough room for all your stuff? Phone, range finder, gloves, etc?			
3	Seat - Was the seat wide enough for two players?			
4	Leg room - Was there enough comfortable legroom?			
5	Suntop - Did it do its job? Did it allow you to get in and out easily?			
6	Acceleration - Were both take-off and top speeds smooth?			
7	Sound - Quiet enough for conversation?			
8	Steering/Turning - Was steering responsive?			
9	Power/Hill climbing - Did it get you where you wanted to go?
