A HISTORY OF MOVING DREAMS FORWARD

1975

Yamaha's first golf car. A powerful 60cc 2-stroke engine, lightweight, and served as the foundation for many things to come.

1979

The first production golf car with an electronic ignition system, a solid-state oil injection system, and a 357cc motor. The first to offer comfort and maximum performance, the golf car had a classic design aesthetic.

1985

The first production golf car with a semi-independent rear suspension, a lightweight, Metton® molded, plastic front, and a 4-stroke, overhead valve engine. As the ultimate alternative to the G-8 model.

1989

The next generation Ultima was designed to be a more precise, high-performance machine. The power stroke, an actuated pedal, and a larger, 300cc engine helped to create a game-changing experience for Yamaha lovers.

2000

The first production golf car with two passenger seats, headlights, and a roof with a storage compartment. The Golf Car was designed with comfort and style in mind.

2003

The first generation of Yamaha products featured a powerful 2-stroke, overhead valve engine, and an impact-resistant front bumper. The 4-passenger vehicle was part car, part truck, and featured several innovative features.

2006

The G-9 was the ultimate mower, designed to be a high-end, powerful vehicle. Equipped with a larger engine than earlier models, the G-9 offered improved performance and altitude capability.

2009

The Drive embodied Yamaha's reliability and to have minimal maintenance costs. The Drive2 lineup introduced QuieTech® engines, allowing users to manage entire fleet operations remotely. The Drive2 introduced QuieTech® engines, allowing users to manage entire fleet operations remotely.

2012

Yamaha introduced the G-MAX, a gas car that's as quiet as an electric, and the G-27 and G-28 featuring a 12 volt DC outlet. The G-23 and G-27 were part car, part truck.

2015

The UMAX RALLY was added to the UMAX lineup, providing additional features of Yamaha’s motorsport legacy to off-road enthusiasts.

2016

The YTF1 was created to be tough, durable, and to have minimal maintenance costs. The YTF2 was created for hill climbing ability, better response, and reduced emissions.

2019

The DRIVE2 Rally2+2 was added to the DRIVE2 lineup, expanding on the successful UMAX models. Rally™ and RALLY™ were added to the DRIVE2 lineup, allowing users to manage entire fleet operations remotely.
It’s a cool, spring morning. Clear blue skies and an endless stretch of green awaits. As players venture through each hole, you want them to experience comfort, performance, and innovation. You want these values to be synonymous with your course.

That’s exactly what Yamaha’s Drive² delivers. With the Drive², you’re providing players with over 60 years of precise engineering and technological innovations blended together into the most luxurious fleet car in the industry. Don’t settle. Get the best for your players, all in one car.

The best car is still better

Model shown with optional Yamaha genuine accessories.
At Yamaha, we’re innovating with the modern golfer in mind, and we’ve created something completely new: the Drive2. With bold colors and modern body styling, it looks better than ever, but the biggest change is the one you don’t see—a smoother ride.

---

- Is total cost of ownership important to you?
- Do you want a car that lasts the full life of the lease?
- Do you desire a higher resale value on your fleet investment?
- Does your fleet need more hill-climbing ability?
- How important is battery quality to you?
QUIETECH EFI COMBINES THE QUIETNESS OF ELECTRIC WITH THE PROFITABILITY AND DEPENDABILITY OF GAS.

A gas car that is ALMOST AS QUIET as an ELECTRIC

QuieTech EFI boasts the lowest decibel output of any gas car and features the industry’s first-ever Independent Rear Suspension on a golf car. This unprecedented combination ensures your players experience a luxuriously quiet ride. At 45 MPG, and a smaller carbon footprint than the competition, we think you’ll agree that choosing QuieTech EFI is the most sound business decision you could make for your golf course.

QUIETECH EFI: EVERYTHING ELSE IS JUST NOISE.

INDUSTRY-BEST

* Independent laboratory testing on fleet environment by Transportation Research Center, Inc. 2015, on model year 2016 cars.

Lower your maintenance costs and damage repairs with Yamaha’s industry-exclusive removable modular body panels*.

*Body panels are available for all Drive² models for easy repairs.
The electric Drive2 puts the power in PowerTech AC. Prepare yourself for an energy-efficient, electric solution that features smooth acceleration and unrivaled hill-climbing ability like you’ve never experienced before. Our electric cars make battery power synonymous with horsepower, while giving your players a silky smooth ride.

Independent Laboratory Testing 8-Volt Batteries

Yamaha is the only golf car manufacturer that uses industry-best Trojan T-875 batteries as standard equipment.

*Based on the averaging of two completed separate tests on two batteries for each brand.
Love the ride of PowerTech AC but don’t need all the power? Then our Drive2 DC car is for you. When your customers demand electric, give them a dependable car that has all the features that today’s modern golfers demand. Now with a smaller, quieter, and more efficient electric charger that uses less power out of the wall, the Yamaha Drive2 DC saves you more money than ever.

Yamaha is the only golf car manufacturer that uses industry-best Trojan T-875 batteries as standard equipment.

A reliable, EFFICIENT, SUPERIOR electric CAR

Redesigned cradle-smooth suspension system for maximum comfort. Featured on Drive2 EFI, PowerTech AC, and Drive2 DC models.
With six color options, four-wheel brakes, luxurious bucket seats, an under-hood storage compartment, and large 20" tires, all with the quietness of a golf car, you can see the difference when power, performance, versatility, and comfort matter.

All the features a hard working professional could want

Under-hood storage compartment
House all of your necessities in a sizable storage area, designed for convenience and effortless accessibility.

Effortless dump bed lock
Easily unlock the dump bed for unloading.

Luxurious bucket seats
Derived from our award-winning Viking® Side-by-Side, you can enjoy a comfortable ride with support that will last your entire work day.

Larger utility bed
Your maintenance team will have more volume than ever before to get the job done with a capacity of 10.4 cu. ft. in our UMAX One. For larger jobs, our UMAX Two has even more capacity with 12.9 cu. ft.

Easy one-hand tailgate release
Swiftly open and close the tailgate.

Convenient side-fill gas tank
Makes for a quick, efficient fill-up.

Innovative top
Keep safety a priority with this protective and advanced top layer.

Easy access engine compartment
Comfortably reach the engine compartment without having to remove the dump bed.

Automotive-style dash
Completely redesigned for the modern professional.

Modern colors

UMAX Two model only.

*UMAX Two model only.
Servicing your customers is now easier than ever with our fully redesigned UMAX Bistro. Featuring a four-lid ice chest, a sliding snack tray, and an optional coffee cambro, your guests will have easy access to the refreshments they need, any time. We’ve also enhanced the entire shopping experience with slanted shelves perfectly equipped for displaying merchandise of your choice.

**ADDITIONAL REAR SHELF**
Easily prepare drinks with the newly added rear shelf.

**SLIDING SNACK TRAY**
Enjoy a specially designed space in your cooler for snacks that need to stay dry and chilled.

**OPTIONAL COFFEE CAMBRO**
Keep up to 2.5 gallons of beverage perfectly hot or cold for your guests.

**DISPLAY CASE**
We’ve enhanced the entire shopping experience with slanted shelves perfectly equipped for displaying a variety of snacks and merchandise of your choice.

**MENU BOARDS**
Two menu boards to display your specials of the day with a removable whiteboard design.

**OPTIONAL POTABLE ICE CHEST WITH ICE SCOOP**
Keep fresh ice on hand for when your guests need to cool down.

**LOCKABLE AND REMOVABLE CASH DRAWER**
Seamlessly integrated into the display cabinet, our solid steel cash drawer can be locked or easily removed.

**OPTIONAL FRONT STRUT-MOUNTED CUP DISPENSER**
Accommodates most conventional 6-10 oz cups.
Get the job done with RELIABLE POWER and PROTECTION

UMAX RANGE PICKER

Outfitted with a strong diamond-webbed steel cage and an impact-resistant front windshield, discover the same Range Picker you already know and love—but this time, with an upgraded 402cc engine for premium torque and power.

POWERFUL 402cc ENGINE
Built to be strong, reliable, and resilient, even for your toughest job of the day.

LARGER UTILITY BED
Your maintenance team will have more volume than ever before to get the job done with a capacity of 10.4 cu. ft. in our UMAX One. For larger jobs, our UMAX Two has even more capacity with 12.9 cu.

LUXURIOUS BUCKET SEATS
Enjoy a comfortable ride with support that will last your entire work day.

IMPACT-RESISTANT FRONT WINDSHIELD
Work in confidence with a sturdy, durable polycarbonate windshield.

DIAMOND-WEBBED STEEL CAGE
Work comfortably with this heavy-duty, protective steel layer.
THE NEW YTX™ DOES EVERYTHING BUT HIT THE SHOT.

Advanced COURSE MANAGEMENT

The all new YamaTrack® gives your course the capability to evolve with the modern golfer. With a new 10” screen mounted in the dash, players will enjoy 3D terrain graphics with customizable pro tips. Geo-zones protect the environmentally sensitive areas of your course and will notify players to pre-order food and beverages before making the turn. An updated diagnostic feature ensures peace of mind by sending maintenance alerts from the car to the pro shop. Enhance your players’ experience and improve your course’s efficiency with YamaTrack®. Another reason why Yamaha is The Easy Choice™.

COURSE CONTROL

• Unlimited geo-zones to control speed and car location on your course.
• Use the Shutdown feature to prevent losses by day, and the Lockdown feature for better overnight security.
• Monitor amp hours and car battery conditions automatically to improve fleet rotation and maximize battery life.
• Monitor pace of play to assist with scheduling rounds and optimize marshall activity.
• Use the car tracking feature to show a car’s current location or history.
• Control car speed for DC models.

FLEET CONTROL

• Reach your audience with customizable on-screen advertising. Increase course revenue by sharing advertising opportunities.
• Manage your entire operation including the pro shop, cart barn, and maintenance equipment from any internet-connected device with our web-based system.
• Generate multiple reports to better manage and maintain your fleet.
• Integrated leasing with Yamaha’s in-house financing available, which enables a seamless transaction.

ENHANCE PLAYER EXPERIENCE

• GPS yardage with interactive touch screen
• Flyover auto-start at each hole with distance to hazards
• Fairway/green toggle with shot distance and on-screen scorecard
• Remote food and beverage ordering and customizable on-screen advertising

INCREASE FOOD AND BEVERAGE PROFITS

• Custom your course’s mobile players’ app with your logo.
• The distance to the pin feature enables players to gauge their shots for more holes in one than ever before using accurate course diagrams and your device’s GPS.
• Food and beverage ordering from the course means a satisfying meal or refreshing beverage is never far away.

PROTECT YOUR ASSETS

If you have a Yamaha fleet, then we’ve already built your mobile app for you. Activating the app for your course is easy and convenient, and the mobile-based software allows your players to navigate their round no matter where they are on the course or in the game. The YamaTrack Players’ App assures player support is just around the corner, so they can spend more energy on their game.

CUSTOMIZE YOUR COURSE’S MOBILE PLAYERS’ APP WITH YOUR LOGO.
PARTS AND ACCESSORIES

When it comes to your new Yamaha golf car, using Yamaha Genuine Parts and Accessories ensures they run the same as day one. In fact, the same team of engineers that designed your Yamaha golf car worked hand-in-hand with Yamaha product planners to guarantee our accessories look right, fit right and perform right.

Advance research and state-of-the-art materials are the keys to making your vehicle look and perform like only a Yamaha can. We continually subject our parts and accessories to stringent testing, specifically designed to evaluate all aspects of functionality, durability and safety, giving you peace of mind from worrying about inferior aftermarket parts. ... Don’t Expect It. Demand It!

DON’T EXPECT IT. DEMAND IT!

All Yamaha Genuine Parts and Accessories have a three-year limited warranty.

*Prices are subject to change at anytime without notice.
Audio

**Bluetooth® Audio System**

Give your players the convenience and comfort of playing their favorite tunes from their phone as they race down the fairway. Universal fit for most golf carts.

GCA-J0019-00-00 | $239.99

Golf

**Clip-On Information Card Holder**

Promote your course activities on this Clip-On Information Card Holder with incomparable strength that easily stands up to everyday use in any temperature. Universal fit for most golf carts.

GCA-JW885-00-00 | $30.99

**Self-Adhesive Information Card Holder**

Keep your pairing sheet, clubhouse menu, or course advertisements dry and clean in our Self-Adhesive Information Card Holder. Built to stand up to everyday use despite any temperature, it is shatter-resistant and virtually unbreakable. Fits any golf car with a windshield.

GCA-JW185-13-00 | $17.99

**Bluetooth® Audio System**

Just because equipment gets dirty doesn’t mean the game has to stop. Keep players on pace with this must-have accessory. Fits 2007- The DRIVE Fleet and 2017- Drive 2 Fleet models.

GCA-J0B19-00-00 | $229.99

**Yamaha Sand Bottle Kits**

Always have sand on hand with our updated sand bottle kits. These reconfigured kits have bottles that include comfortably integrated hand holds (making them easy to grip with gloves), have larger square openings allowing for quick filling without removing bottom lid, as well as an even flow of sand to fill divots more effectively.

Fits 2013-2016 The DRIVE Fleet EFI, 2010- The DRIVE Fleet DC, 2016- The DRIVE Fleet AC, and 2017- Drive 2 Fleet models.

**SINGLE SAND BOTTLE KIT**

GCA-J0A40-00-00 (with handle) | $26.99
GCA-J0B40-00-00 (without handle) | $25.99

**DUAL SAND BOTTLE KIT**

GCA-J0A41-00-00 (with handle) | $68.99
GCA-J0B41-00-00 (without handle) | $64.99

**SAND BOTTLE ONLY**

GCA-J0A40-21-00 (with handle) | $16.99
GCA-J0B40-21-00 (without handle) | $16.99

**Yamaha Cooler**

Keep players refreshed throughout the day with our re-engineered and innovative insulated beverage cooler. Rigorously tested to outperform other coolers, this addition would make the perfect companion to your fleet. Fits 2007- The DRIVE Fleet and 2017- Drive 2 Fleet models.

GCA-J0B12-00-00 | $99.99

**Yamaha Club and Ball Washer Kit**

Just because equipment gets dirty doesn’t mean the game has to stop. Keep players on pace with this must-have accessory. Fits 2007- The DRIVE Fleet and 2017- Drive 2 Fleet models.

NOTE: The Club and Ball Washer, Sand Bottle, Sand Bucket, and Coolers cannot be used in conjunction with The DRIVE Rear Facing Seat.

GCA-J0A34-00-00 | $64.99
GCA-J0B34-00-00 (without handle) | $60.99

**Yamaha Sand Bucket Kits**

Easily fill divots using the newly improved Drive Cabana Golf Bag Cover. Completely redesigned to surpass stringent testing and meet strict industry standards (e.g. JIS, Japanese Industrial Standard). Fits 2007- The DRIVE Fleet and 2017- Drive 2 Fleet models.

GCA-J0A30-00-00 | $82.99

NOTE: Will not work side by side with additional Yamaha accessories mounted to sweater basket.

GCA-J0B30-00-00 (without handle) | $78.99

For the Right Protection, the Pros Know Where to Go

Golf cars work hard all day. You need protection that does too. Make sure your Yamaha is always up for 18 with high-quality Yamalube Quality Care Products.

Better For Your Yamaha

Protect your Yamaha from the wear and tear of nearly continuous use with Yamalube 10W-30 All-purpose Golf Car oil. It includes high-quality mineral base stocks and provides incredible film strength.

Better Lubrication

At Yamaha, we have stringent lubrication standards for all of our vehicles—and other off-the-shelf oils just aren’t up to par. That’s why we’ve created our own. Our factory-approved engine oils include unparalleled mineral base stocks and technologically superior additives, providing excellent protection.

Better Protection

Yamalube Performance All-purpose Golf Car oil is available in the precise multi-grade viscosity recommended for your four-stroke Yamaha golf car, and meets, or exceeds all factory requirements.

YAMALUBE®

Others simply follow industry standards
WE PREFER TO SET THEM

In the early 1960s Yamaha’s vehicles were dominating the motorsport game with top performance, but the quality lubrication required to foster that performance didn’t exist—essentially stifling the peak potential of Yamaha machines. Leo Lake, the National Service Manager for then Yamaha International Corporation, noticed and took action.

In 1967, after testing hundreds of lubrication combinations, Leo developed a blend that became the iconic Yamalube brand the world knows today.

Yamaha now warrants the use of Yamalube in all of its Golf Car engines with the Yamaha Advantage engine lubrication limited warranty, covering 20 years or 5,000 hours or 100,000 miles (whichever comes first).

To date, Yamalube remains the only oil built around the stringent demands, operating characteristics, and applications of not only Yamaha engines, but all powersport engines. With over 50 years of success, we still strive to make the best even better.

Give your Yamaha golf car the only oil that is specifically formulated to enhance its performance. Fits all Yamaha golf car models.

16 OZ. BOTTLE  (CONCENTRATED; CHAMBERED BOTTLE)
ACC-FUELM-RX-16 | $23.99
(QTY. 12*)

NOTE: Use continuous treat rate if in-season fuel will sit in a tank for more than seven days. The storage treat rate keeps fuel fresh for up to one year.

Fuel Med RX

Empower your golf car with superior carbon deposit control, cleaning injectors, carburetors, intake valves and ports, and combustion chambers. Also protects fuel system metals from ethanol sulfate salt corrosion. Add it at every fill up to avoid unnecessary engine repairs due to poor quality gas and to keep your engine clean and running efficiently all season long.

3.2 OZ. BOTTLE  (BLENDED)
ACC-ENGIN-RX-04 | $5.99

16 OZ. BOTTLE  (CONCENTRATED; CHAMBERED BOTTLE)

Yamalube® Drive² Tune-up Kit

Peak performance is a click away when you use Yamalube Drive² with the Yamalube Drive² Tune-up Kit. Keep your Yamaha at its best, longer. Fits all Drive² models.

CONTAINS:
• Yamalube 10W-30 Mineral Oil (1 Qts.)
• Genuine Yamaha Air Filter (Qty. 1)
• Genuine Yamaha Pre-Air Filter (Qty. 1)
• NGK® Spark Plug (Qty. 1)
• Brake Plug Gasket (Qty. 1)

LUB-GCDR2-MT-KT | $45.99

Yamalube® Golf Car Tune-up Kit

Do you think your golf car wants the same oil used in a minivan? Give it the care only the best golf car in the industry deserves: Yamalube.

CONTAINS:
• Yamalube 10W-30 Mineral Oil (1 Qts.)
• Genuine Yamaha Air Filter (Qty. 1)
• Genuine Yamaha Pre-Air Filter (Qty. 1)
• Genuine Yamaha Fuel Filter (Qty. 1) (LUB-GCCRB-MT-KT Only)
• NGK® Spark Plug (Qty. 1)
• Drain Plug Gasket (Qty. 1)

FITS 1996- CARBURETED MODELS
LUB-GCCRB-MT-KT | $49.99

FITS ALL EFI MODELS
LUB-GCEFI-MT-KT | $45.99

### UMAX ONE EFI

**SPECIFICATIONS**

**PERFORMANCE**
- MAX FORWARD SPEED: 19.5 mph (31.3 km/h)
- MAX REVERSE SPEED: 6.25 mph (10 km/h)
- MINIMUM TURNING RADIUS: 3.98 m

**ENGINE / DRIVE TRAIN**
- ENGINE TYPE: Yamaha built 402cc, Low Emission Single Cylinder
- FUEL SYSTEM: Electronic fuel injection
- COOLING SYSTEM: Forced air
- STARTING SYSTEM: Starter generator with pedal start system
- STARTER GENERATOR: 350 amp AC controller by Toyota Industries
- OUTPUT RATING: 6.7 hp (5.0 kW) for 60 minutes
- MOTOR CONTROL UNIT: NEOS 350 amp AC controller by Toyota Industries
- FRAME: HybriCore™ Chassis features a robotic welded automotive ladder-style steel frame protected with a multi-step full-immersion phosphate treatment, an electro-deposition epoxy-based coating, and a two-part top coat of high-luster automotive-grade polyurethane.
- BODY: Custom-formulated thermoplastic polyester painted with a multi-step full-immersion phosphate treatment, an electro-deposition epoxy-based coating, and a two-part top coat of high-luster automotive-grade polyurethane.
- HYDRAULIC SHOCK ABSORBERS: Your choice of hydraulic shock absorbers in front and rear wheel shock absorbers.
- RUBBERISED MOUNTS: Your choice of rubberised mounts in front and rear wheel shock absorbers.

**FRAME**
- Construction: HybriCore™ Chassis features a robotic welded automotive ladder-style steel frame protected with a multi-step full-immersion phosphate treatment, an electro-deposition epoxy-based coating, and a two-part top coat of high-luster automotive-grade polyurethane.
- BODY: Custom-formulated thermoplastic polyester painted with a multi-step full-immersion phosphate treatment, an electro-deposition epoxy-based coating, and a two-part top coat of high-luster automotive-grade polyurethane.
- HYDRAULIC SHOCK ABSORBERS: Your choice of hydraulic shock absorbers in front and rear wheel shock absorbers.
- RUBBERISED MOUNTS: Your choice of rubberised mounts in front and rear wheel shock absorbers.
- ROLLING TRAILER MAX WEIGHT: 1,200 lb
- CARGO BED MINIMUM CAPACITY: 600 lb
- CARGO BED MAXIMUM CAPACITY: 1,200 lb
- CARGO BED DIMENSIONS: 41.1” L x 45.9” W x 11.9” H
- CARGO BED END DIMENSIONS: 21.2” L x 45.6” W x 11.4” H

**DIMENSIONS**
- OVERALL LENGTH: 127.60 in (324.1 cm)
- OVERALL WIDTH: 49.5 in (125.7 cm)
- OVERALL HEIGHT (WITH SUN TOP): 74.02 in (188 cm)
- OVERALL HEIGHT (NO SUN TOP): 48.54 in (123.3 cm)
- WHEELBASE: 77.2 in (196.1 cm)
- FRONT WHEEL TRAVEL: 40.19 in (102.1 cm)
- REAR WHEEL TRAVEL: 30.66 in (77.8 cm)
- MINIMUM GROUND CLEARANCE: 4.52 in (11.5 cm)
- DRY WEIGHT (WITH SUN TOP): 483 kg

**GENERAL**
- VEHICLE RATED CAPACITY: 1,500 lb
- ROLLING TRAILER MAX WEIGHT: 1,200 lb
- CARGO BED MINIMUM CAPACITY: 600 lb
- CARGO BED MAXIMUM CAPACITY: 1,200 lb
- CARGO BED DIMENSIONS: 41.1” L x 45.9” W x 11.9” H
- CARGO BED END DIMENSIONS: 21.2” L x 45.6” W x 11.4” H

**PERFORMANCE**
- MAX FORWARD SPEED: 19.5 mph (31.3 km/h)
- MAX REVERSE SPEED: 6.25 mph (10 km/h)
- MINIMUM TURNING RADIUS: 3.98 m
- MAX TOWING DISTANCE: 1,000 lb

**BATTERY**
- STARTER BATTERY: 6.7 hp (5.0 kW) for 60 minutes
- MOTOR CONTROL UNIT: NEOS 350 amp AC controller by Toyota Industries
- OUTPUT RATING: 6.7 hp (5.0 kW) for 60 minutes
- MOTOR CONTROL UNIT: NEOS 350 amp AC controller by Toyota Industries
